

## What Legacy Will You Leave Behind

**Make a difference. Make a Donation.**

As CPAs, we take pride in making a difference in our clients' lives. We help them to solve problems and find paths to success. **As the end of the year approaches, take the opportunity to make a difference closer to home by donating to the AICPA Benevolent Fund and the AICPA Foundation.**

As many students struggle with rising tuition costs and more complex financial aid requirements, the demand for scholarships is on the rise. If not for scholarships provided by the [AICPA Foundation](#), the profession would lose many promising young minds. **Donations from members like you provide support and encouragement for tomorrow's CPAs.**

Some AICPA members are struggling through financial difficulties because of a job loss, an illness, an accident, a death of a loved one or other major misfortune. Often the only place they have to turn is the [AICPA Benevolent Fund](#). **Donations from members like you provide your fellow AICPA members with hope and comfort in times of need.**

As the year comes to an end, there are many needs. **And you have an opportunity to make a real difference - a lasting difference.** The AICPA Foundation provides a solid foundation for the future of the CPA profession. The AICPA Benevolent Fund supports CPAs in trouble around the country. But we cannot do any of it without you.

As a CPA, you are a part of a valued and vibrant profession that has afforded you many opportunities. With end-of-year tax planning upon us, now is a good time to consider how you can help create more opportunities to other CPAs and ensure a bright future for the profession. **Make a difference. Make a donation.**
